

Web Download Instructions: Adding an EPUB to Your Kindle

To download the EPUB file to your computer and add it to your Kindle:

1. Plug your Kindle into your computer,
2. Open the Kindle as you would a USB drive,
3. Copy the Kindle file into your "Documents" folder.

The Kindle document will now appear as its own clickable, readable document when you disconnect your Kindle.

Using the Kindle App to view an EPUB on your iPhone or iPad

1. If you do not have the Kindle app on your iPhone or iPad, you can search for it and download it at the Apple iTunes store.
2. Download the EPUB file and send it to your e-mail account.
3. Open the e-mail on your iPhone or iPad, and double click on the attached document. The file should open as a Kindle document within your Kindle app.
